

## Your Lease

The lease is a binding legal contract that cannot be broken based on whims and assumptions. Be sure to read your lease carefully. There are no excuses.

## Your Home

Celebrate your new home by decorating with your own personal style. Although, keep in mind, blinds are to be kept in presentable condition, trash should be picked up from around your home, the landscaping should be maintained and your pets should be picked up after at all times.

## Notices

All notices require at least 30 days. They are required to be written and completed using our forms that can be found on our website or in the office.

## Early Termination

You **MUST** pay your termination fees before we can accept your lease termination. Your lease dictates you are fully responsible for your home until its end.
